

Terms and conditions

General Conditions for using the codensoftwareacademy.com website

ACCEPTANCE OF THE CONDITIONS

By accessing this website and / or any of its pages, you agree to these terms of use. If you do not agree to these terms and conditions of use, do not access this site.

DESCRIPTION OF SERVICES

Our site will provide the information on this website for general information purposes and does not guarantee its accuracy at any time, although every effort will be made to ensure that all information is accurate when published on the site.

INTRODUCTION

These General Conditions define the conditions of use of the codensoftwareacademy.com site by potential visitors or customers. By accessing and browsing this site, you accept the terms of use described below.

RIGHTS OVER THE SITE CONTENT

SC ICONTI CERT SRL (hereinafter referred to as Coden Software Academy), will not transfer title to the software applications.

Coden Software Academy holds full and complete rights to the title and thus all copyright and patent rights. You may not redistribute, sell, decompile, disassemble the software in a form perceptible to humans.

All information, products or application contained in this site is the property of Coden Software Academy, which reserves the right to change the content and / or structure of the site at any time and without prior notice.

All content on the codensoftwareacademy.com site is protected by copyright law, all rights reserved. All rights regarding the pages, content and presentation of the site are owned by Coden Software Academy. It is forbidden to copy, modify, display,

distribute, transmit, publish, market, license, create derivative works or use the content of the site for any purpose without the written confirmation of Coden Software Academy.

Access to and use of the codensoftwareacademy.com page is free and aims to help users find the necessary information in the easiest and fastest way possible, according to everyone's requirements.

The information on codensoftwareacademy.com is of general interest and is made available to users free of charge. The term "user" of this page means any natural or legal person who will access the page. You may copy and print the content of codensoftwareacademy.com for your personal use without commercial intent. In any other case, the content of codensoftwareacademy.com may not be reproduced, modified and exploited without the explicit consent of the representatives of codensoftwareacademy.com.

DISCLAIMER OF LIABILITY

The content of the information refers to the description in a certain degree of detail of the activities, products and services of Coden Software Academy. Coden Software Academy makes no warranty as to:

- avoiding difficult use or interruption in the use of the site;
- non-negatively affecting other systems by using the site;
- the existence on the site of viruses or other components that could harm users.

Thus, Coden Software Academy cannot be held responsible for any direct or indirect damages caused by the use of its site.

All information presented on the site regarding codensoftwareacademy.com products, prices, information, marketing campaigns and promotions, technical aspects, are presented for information purposes. Nothing in the content of the codensoftwareacademy.com site can constitute a firm offer to contract and cannot engage the responsibility of Coden Software Academy in the absence of further agreements.

The content of the codensoftwareacademy.com website, of the information and other materials presented by the codensoftwareacademy.com Community does not represent a legal consultation within the meaning of Law no. 51/1995.

The GDPR is a set of rules based on complex principles, which is open to interpretation and also contains many areas in which Member States are invited to intervene. There is currently very little guidance on the implementation of the GDPR and it is possible that the Supervisory Authorities will have different views than those expressed in this template. Despite our efforts to provide the best services, we cannot anticipate exactly how the Supervisory Authority or the courts will interpret the Regulation.

codensoftwareacademy.com makes no representations, promises or warranties regarding the accuracy, completeness or adequacy of this content, guidance and consultancy, assumes no obligation of performance or diligence towards any person, expressly excludes and denies liability for any cost, loss or damage suffered as a result of using the content.

THE PURPOSE OF THE SITE CONTENT

The purpose of the site content is to provide up-to-date and accurate information.

Coden Software Academy cannot guarantee that these pages do not contain errors, and assures that it will do its utmost to provide accurate information and remedy any errors.

Anyone wishing to purchase one of the services or products presented on the site is asked to contact Coden Software Academy through one of the means displayed on the Contact page of the site, to find out both the availability of the service or product in question and on the contractual conditions, tariffs and technical or other information.

PERSONAL INFORMATION

When information is requested through this site, it aims to identify you or the possibility of contacting you. This is all the more necessary when using the applications available on the site.

The nature of the information requested relates in particular to personal data (name, address, telephone numbers), e-mail address, how Coden Software Academy products and / or services are used or intended to be used, but may include other information closely related to the use of the requested services and / or products.

In order to better meet the needs and questions of users of the site, the information requested through this site will be subject to electronic storage and processing.

LINK WITH OTHER SITES

This site may contain links or links to other sites that Coden Software Academy considers useful in connection with the content of its site and which is not under its control or guidance. In the case of the use of these links or references, the general conditions of use corresponding to those sites will apply.

Coden Software Academy cannot guarantee / control the timeliness / accuracy of the information present on the sites of third parties, to which reference is made from its website.

INFORMATION PROVIDED THROUGH THE SITE

Any person who visits the codensoftwareacademy.com site and who provides personal data or information through this site expressly and unequivocally agrees to the following: the processing of such data and personal information by Coden Software Academy; transmission of promotional materials specific to direct marketing operations; the resolution by Coden Software Academy of requests, questions and complaints addressed (see the Contact section of the site); other activities undertaken by Coden Software Academy and permitted by law, which are not subject to approval by the recipient.

Coden Software Academy will keep this information confidential.

Your continued use of this site constitutes your express and unequivocal consent in accordance with the provisions of Law 677/2001 and the GDPR directives for the protection of individuals with regard to the processing of personal data and the free movement of such data.

For any questions regarding the exercise of your rights regarding the use of the site and the protection of use, please contact the email address:
contact@codensoftwareacademy.com.
